Annual Health Update Form

2008-2009 School Year

If you are:

- entering Swain as a brand new student
- entering kindergarten or 6th grade
- a student in grades 5-8 who participates in school-sponsored after school sports

you **do not** need to complete this Update Form (those students listed above are required to submit a new Physical Form, so do not need to complete this Update Form).

Student: _____ Grade: _____

As the new school term begins, it is very important that your child's health records are brought up to date. Please comment on all health problems of which the school nurse and/or teachers should be aware.

Check one:
